## EVEN MORE POSSIBILITIES FOR YOUR HEALTH

This pricelist provides a clear overview of both spa and hotel stays. Thanks to our extraordinary Spa center HERA, which is characterized not only by the pleasant environment and the latest equipment, but especially by the presence of experienced physicians and specialists, **we also offer and provide special treatment and diagnostic methods.**

### HEALTHY LIFE STYLE & TREATMENT PROGRAMMES

The Special spa and treatment programs are available for stays from 11 nights.

You can use or combine 4 special spa programmes: **DETOX, SLIMMING, ANTIAGING, ANTISTRESS.** The programmes combine a special spa treatment with modern methods that influence also the lifestyle and habits ... lifestyle is a critical factor influencing 80% of our health.

The main goal of the „**INTENSIVE TREATMENT**“ program is the regeneration and activation of the self-healing process of the organism. We use only proven first-class medicaments (Germany, Switzerland, France ...). We recommend a combination of our treatment programs and a spa stay where we combine on one side relaxation and internal regeneration with the important contribution of the unique natural resource (hot mineral water springs and unique spa environment) and on the other side the new modern treatment. **The combination of the both components is mutually reinforcing, and it gives long lasting effect.**

### CHECK UP „OLYMPIC“

**Get detailed information about your health.** Our specialists will do general health check-up. Of course, we provide You an interpretation, evaluation and a structured medical report.

### DISCOUNTED SPA PACKAGES

Did you arrive for a shorter period? Try our services and take advantage of our thematic packages: **A Touch of Hot Spring Water, Try out the SPAs, Juno Kids Programme** ... or simply choose from the treatments (massages, baths, beauty treatments, diagnostics, etc.).
